Half a Century of Postal Service

On Thursday, July 10, a new link will be forged in the fifty-one year association between the Postmaster-General's Department and Altona, when the new Altona Post Office is officially opened by Mr. Merv Lee, the Federal Member for Lalor.

The ceremony will take place at 3 p.m., and all members of the public are cordially invited to attend.

FIRST POSTAL SERVICE

The association between the Department and Altona began on March 15, 1918, with the establishment of a small non-official post office with limited facilities, and located adjacent to the railway station.

In April, 1921, the post office was transferred to 12 Pier Street, where Post Office business was conducted in association with a general store, under the management of R. A. Blomberg. The population of Altona at that time numbered about 500.

The "Victorian Municipal Directory" for 1919 describes Altona as a "Popular seaside angler's resort, with post office, store, and powder magazine. Good beach for bathing. Rail 10½ miles from Melbourne. Fares — (First Class) 9½d.; (Second Class) 7½d."

EARLY HISTORY OF ALTONA

Although 1918 seems to mark the establishment of Altona as a township, with its post office, store, railway station and powder magazine, the history of the district is an ancient one. Early stone implements found on the dunes at Altona indicate the presence of primitive man in this district, centuries ago. Actual settlement, however, seems to date back to 1836, when Alfred Langhorne took up a pastoral lease in the area. Langhorne's original old homestead, located in Queen Street, still stands today, and although there have been alterations and additions to it over the years, it remains Altona's oldest building.

Other early settlers who took up sheep or cattle runs in the district — Robert William Wrede, the Ross Brothers, Grieve, Cherry, Lempiere, Blackshaw, and Welton.

LAND SALES

In the latter part of the 1880's, the Altona and Laverton Bay Freehold and Investment Company Ltd.

embarked on an ambitious plan to develop Altona as a fashionable seaside resort that would compare favourably with Brighton or St. Kilda. The Company constructed their own railway line which connected with the Government railway system at Williamstown Racecourse, and which terminated at "Altona Beach" station, on the Company's estate. Altona Pier was also built by the Company about the same time.

FIRST TRAIN

The first train ran on this private line on November 9, 1888, and the Investment Company gave much publicity to the fact that rail transport was available to their land sites. During 1888, land in the area sold at £8 a foot, but the boom was short-lived, and the Altona Bay trains were cancelled after August 14, 1890.

THE NAME ALTONA

The name Altona is believed to have been given to the district by one of its early pioneers, a German, named Taegtow, who came from Altona — a small town in Germany located at the mouth of the Elbe River. Mr. Taegtow was convinced that coal existed in the area. In 1881, he formed the Williamstown (Taegtow) Coal Prospecting Company, but results were disappointing, and the Company went into liquidation in 1884.

BROWN COAL

In 1890, the search for coal was taken up by J. S. Hosie, of Hosie's Hotel, Melbourne.

A deep shaft was sunk at Altona, and coal was discovered, but in probing the depth of the seam, water was encountered which flooded the workings, and the project was abandoned. A second shaft was sunk in 1894, apparently with no greater success, as the work soon ceased.

In 1908, the Melbourne and Altona Colliery Co. extended Hosie's second abandoned shaft down to a depth of 330 feet. At this depth they struck a seam of coal some 70 feet thick, and between the years 1911 to 1919 they extracted well over 26,000 tons of coal. During this latter period, a spur line was built from the Altona Beach Station to the mine.

Mining operations ceased in 1919, but in 1928 they were resumed when the Altona Bay Estates Company sank a new shaft. Mining in the district finally ceased in 1931. Nevertheless, it is believed that vast quantities of coal still exist at Altona, however, the deep mining involved makes the task of obtaining it uneconomical, when compared to the easily won surface coal at places like Yalourn.

RAIL SERVICE

Despite industrial activities, residential development continued to lag, so in 1917, the Altona Beach Estates Company tried to accomplish what the Altona and Laverton Bay Freehold and Investment Company Ltd. had failed to do in the 1880's — establish Altona as a thriving residential area. On November 28, 1917, the Victorian Railways entered into an agreement with the Company to run trains on the Altona Line, but the Company was to indemnify the Railways against loss. After the line had been in operation for seven years, the Company owed the Railways £7,289, and the Victorian Railways therefore took possession of the line in 1924.

OIL INDUSTRY

The Vacuum Oil Company built a Distillation Unit at Altona in 1949. In 1951 Standard-Vacuum developed the Distillation Unit into a full scale refinery.

(Continued on page 2)

THE NEW LOOK PIER & QUEEN STREETS

The high standard of new buildings near the corner of Pier and Queen Streets has caused favourable comment. The new post office and the Altona Public Library are fine examples of modern techniques.

It is understood that the architect for Woolworths has been much impressed and that his designs for the local store may be influenced by these buildings. In close proximity to the above buildings will be the new Anglican Church in Queen Street, tenders for which closed last Friday.

Outdoor Bowls for A.W.M.C. Members

The first 7 rink bowling green at the Altona Working Men's Club should be completed on Friday and members hope to be playing on it before the end of the year.

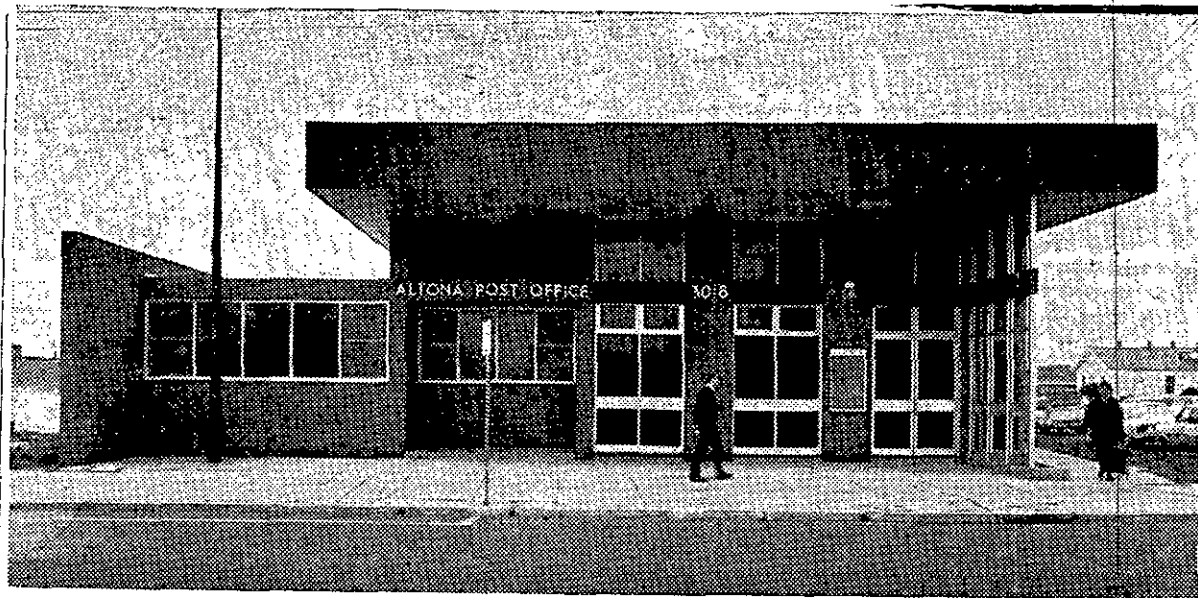

This is one more facility to be provided since the club building opened four years ago.

Foundation meeting of the outdoor bowling section will be held on Sunday, July 6, at 5 p.m.

Mr. Hale, the Victorian manager of a firm manufacturing bowls, will show intending bowlers two films on this sport.

The inaugural meeting of the new club section will be held on July 27 at which an organizing committee will be formed.

Provision has been made for the establishment of another rink.

MILLERS ROAD QUARRY

Noxious Trade Not Wanted

A petition against the use of the quarry in Millers Road for disposal of industrial wastes has been circulating in Altona North.

Last night the petition opposing the project was presented to Altona Council by Messrs. Stanley Morgan and Peter de Jong, two Millers Road residents. There were 419 signatures.

A formal notice has been placed on the surrounds of the quarry.

It states that Industrial Waste Collection (Vic.) Pty. Ltd. intends to apply to the City of Altona for its consent to use the land for the purpose of an offensive trade — "dumping rubbish garbage waste or any other material which is offensive or likely to become offensive".

This company had previously applied to the Board of Works for a Land Use Permit for the purpose of this offensive industry.

A copy was forwarded in May to Altona Council who decided that the application "be refused on grounds that

an offensive industry and area is opposed as such area is immediately adjacent to zoned and built upon residential areas".

The decision, however, remains with the Board of Works. The Board will consider the Council's viewpoint and objections received, and make their ruling.

If the Board decides in favour of the applicant, an appeal against the decision can be made to the Town Planning Board of Appeals.

In a statement to the "Star" the Mayor, Cr. Les Crofts, made it clear that he is strongly opposed to the application.

He said "As the area is in a residential zone I will fight to exclude any offensive trade being established in the area".

Mr. Harry Gooden for the applicants, assured the Altona Star that only industrial waste and no garbage will be deposited.

He said nobody could object to the type of filling his company wished to dump. This would include plastic offcuts, timber, clean filling, foundry dust, knock-out sand, etc.

Mr. Gooden said there would be no liquid waste. He considered neighbouring residents with children would be glad to see this ugly old hole filled with clean materials. He anticipated that it would take 5 to 10 years to do this.

The company has a dump similar to this proposal on the other side of Melbourne at Clayton.

However, while Mr. Gooden was speaking in good faith, and while the company may at present intend to deposit only relatively clean filling, approval of the application would allow them, if they saw fit, to include more obnoxious materials.

The Board of Works can issue a permit subject to specific conditions. It is reasonable to suggest that if so, the Board in framing such controls would be guided by the ideas of Altona Council.

JAPANESE CONSUL VISITS ALTONA

The Japanese Consul, Mr. N. Imajo, visited Altona High School and the Civic Centre yesterday morning.

At a recent Altona Rotary meeting he was invited to Altona High.

He had morning coffee with school Principal, Mr. G. Shee before going to the Civic Hall where he was welcomed by the Mayor, Cr. Les Crofts, and Town Clerk, Mr. J. W. Waters.

Also present was former Altona Rotary president Mr. Jack Piggott who is a member of the Australia-Japan Society.

Mr. Imajo visited the Council Chamber and later returned to the Civic Hall where he was introduced by Mr. Shee to a gathering of fourth form students, teachers and student teachers from Altona High.

He showed a film on industry, agriculture, and life in Japan and spoke to the students on modern Japan. Mr. Imajo has been in the consulate service for many years. He has served in China, Canada, U.S.A. and Australia.

He speaks Chinese fluently having studied it for five years at Peking University and he once studied French.

His youngest son attends a University in Tokyo.

Mr. Bill Sommers of Blackshaws Road, Altona North, has announced his intention of nominating for the Council elections due in August.

He has lived in the district all his life and as one of the residents whose home was acquired by the Country Roads Board for the Lower Yarra Crossing Freeway he was chairman of the Residents' Protest Committee.

Mr. Sommers is a boiler-maker by trade.

Little Athletics for Altona

A Little Athletics Centre will be formed in Altona. At a meeting held in the Civic Hall last Wednesday unanimous support was given for the formation of a centre.

The meeting was opened by Mr. George Nevitt, chairman of the organizing committee, who, after welcoming all present, handed over the chair to Altona's Mayor, Cr. Les Crofts.

Cr. Crofts also welcomed everybody and promised full Council support for the project.

The founder of Little Athletics, Mr. Trevor Bingham, outlined the history of the movement and its rapid growth in Victoria and interstate. A film was screened, showing the young athletes training.

Cr. Crofts called for a motion to form a Little Athletics Centre in Altona.

Mr. George Nevitt, manager of Westons Club, proposed the motion which was seconded by Mr. Steve Clements of Altona North. A unanimous vote to form the centre was recorded.

During the evening a film of the proceedings was taken to replace the one seen earlier in the night. This new film which will include how the centre was formed at Altona will be shown all over Australia whenever another centre is being formed.

EDITORIAL POLLUTION

The reported statement of Mr. N. Goff, Chief Health Inspector of Sunshine could not have been ignored.

Mr. Goff is a responsible reputable officer and his report that Altona industries are contributing to the main source of air pollution in Melbourne appears as his considered opinion.

Cr. D. Grant of Altona, as the responsible councillor, could not have done less than in presenting to Altona Council a strong rebuttal based on available data.

Both he and the Council showed their wisdom in refraining from recriminations and their confidence in Altona's position by deciding simply that a report on air pollution be completed and forwarded for circulation to large newspapers and Health Inspectors.

Mere denials or directly confuting evidence do not fully erase derogatory or negative charges. Often a faint but indelible impression remains.

All that Altona Council can do is to make public the essential facts, continue its close examination and control of pollution within its borders and full co-operation with neighbouring municipalities to the same end.

These are positive steps that will ensure that Altona has a creditable position in relation to air pollution in name as well as in fact.

ROADWORTHY TESTS

WEEKLY BUS - TRAIN TICKETS

Combined bus-train weekly tickets to Melbourne will be introduced next Monday (July 7) on two bus routes from Altona North to Newport railway station. One service goes via Blackshaws Road and the other via Mason Street.

They are two of four suburban bus routes involved in a trial of public acceptance of the combined bus-train weekly tickets, announced this week by the Minister of Transport, the Honorable Vernon F. Wilcox, M.P.

Mr. W. C. Lucas, of West Newport Bus Service, said today that the combined weekly bus-train fares to and from Melbourne would be:

- \$3.60 covering three bus sections.
- \$3.40 covering two bus sections.
- \$2.90 covering one bus section.

The bus section of the fares was based on 10 single bus fares and the ticket on one route could be used for travel on the other route.

One of the major attractions of the combined weekly ticket was that holders would not be limited just to the 10 bus trips to and from their way to work.

"In addition they'll be able to take the bus for Saturday shopping, Saturday or Sunday football or for visiting friends at night," he said.

"The combined weekly tickets had been introduced, with the full co-operation of Mr. W. C. Lucas, by the Passenger Services Co-ordination Committee which we set up recently," said Mr. Wilcox.

If successful, such bus-train weekly tickets would be introduced on other bus routes.

The Victorian Railways Commissioners said that for the initial purchase of the combined weekly tickets, bus passengers could either buy the combined ticket on Sunday, July 6, at Newport railway station, or buy a special ticket from the bus driver on the Sunday, Monday or Tuesday for 20 cents, and present it, for 20 cents credit, when buying the combined weekly ticket at Newport station.

This procedure could be repeated each Sunday or Monday or the bus-train weekly could be renewed at the station from Fridays, to suit the convenience of the bus traveller.

Mr. Lucas urged regular travellers to take advantage of week-end renewals, to reduce delays when boarding the bus.

"Besides this convenience of the weekly ticket and its unlimited availability on the bus and train, one of the biggest advantages will be in better time-keeping by the buses, where the driver will not lose time collecting fares from every passenger entering.

"This will reduce, if not entirely eliminate, the possibility of train connections being missed," he said.

Full details are given in a special pamphlet now available from the bus drivers and from Newport station, added Mr. Lucas.

Knitting Demonstration for Laverton L.A.

A Paton's knitting demonstration will be held in the home of Mrs. Green, 58 Maher Road, Laverton, on Friday, July 4, at 7.30 p.m. Donation of 50c and 20c for Guides L.A. Members are asked to bring a plate of supper.

COUNCILLORS TO VISIT WERRIBEE

Altona councillors, executives and wives have been invited to be guests of the Werribee Shire Council on Friday, July 25.

TWO POLLUTION COMPLAINTS

Reporting on pollution complaints last week, Cr. Doug Grant said since the previous Council meeting only two complaints had been received at the Civic Offices — one from himself and the other phoned through by the Mayor, Cr. Les Crofts.

But this is no reason to be complacent, said Cr. Grant, there is a problem and it behoves all, as councillors or private citizens, to foster interest in pollution.

He said as time goes by, it will become a bigger problem.

The situation will not be improved without a lot of effort and the only way is to track down complaints which people must report as soon as pollution is noticed, said Cr. Grant.

INCREASES IN BEACH AND LIBRARY SUBSIDIES

Substantial increases in grants for bayside municipalities and higher library subsidies from the Government are two items the Altona Council want included on the business paper for the next meeting of the metropolitan section of the Municipal Association of Victoria.

Cr. Harry Weaver suggested the Council should seek to have the Association press for an increase in grants for municipalities with beaches to maintain.

He asked "Why should Altona foot the bill completely for caring for the beach which also is used by residents of other suburbs?"

The Mayor, Cr. Les Crofts, suggested pressing for an increase in the library subsidy.

Cr. Weaver pointed out that the Altona City Library costs about \$2 per head of population each year but the Government subsidy is a mere 40 cents per head.

Cr. Burns suggested Council should find out if the subsidy is uniform throughout Victoria and also what happens in other states and this information would need to be placed before the Association meeting.

FILM ON CITY DECLARATION

A coloured movie of the proceedings on the day Altona was declared a City was presented last week by the Junior Film Society to the Altona Council.

Members of the Society and their leader Mr. Alan Simpson were guests at the Ordinary meeting of Council.

Announcing their presence the Mayor, Cr. Les Crofts, said he was proud of these young people and very pleased with the film they had produced.

He congratulated the members and thanked Mr. Simpson for his leadership.

Mr. Simpson paid tribute to Altona youth when he replied "I did not have to give leadership. I have a lot of faith in the youth of this community, I am proud of them."

Stephen Chatfield, president of the Society, presented the film to Cr. Crofts who promised it would not be stowed away in the archives but would be shown on more than one occasion.

The photography was the work of Nicky Tydens and Jim Saros and the editing was undertaken by Nicky Tydens.

All Society members are students of Altona High School where Mr. Simpson is a member of the teaching staff.

And at the conclusion of the Council meeting the film was given its first screening by Council.

Councillors, executive officers and guests paused during supper to watch this engrossing recording of Proclamation Day.

HALF A CENTURY OF POSTAL SERVICE

(Contd. from page 1)

To-day it is known as Petroleum Refineries (Australia) Pty. Ltd. around which has grown a vast petrochemical complex.

Other factories have also been established at Altona during recent years, all contributing to the rapid development of the area.

ALTONA A CITY

On December 21, 1968, Altona was declared a City. It now has a population of about 27,500, and seems likely to continue developing rapidly.

POSTAL CHARGES

Let us return now to Post Office development at Altona.

Following the transfer of the non-official office to 12 Pier Street, in 1921, Savings Bank facilities were provided in April, 1922.

In June, 1926, the management of the post office passed from R. A. Blomberg to Herbert Chorley. Two years later, in August, 1928, the post office and store were transferred to a new site on the corner of Pier and Blyth Streets.

A telegram delivery service commenced at Altona on July 1, 1938. At this time, the small manual telephone exchange operated from 8.00 a.m. to 10.00 p.m. weekdays, from 8.00 a.m. to 1.00 p.m. on Saturdays, and from 9.00 a.m. to 10.00 a.m. on Sundays, Christmas Days, and Good Fridays.

In June, 1942, the post office and store again changed hands, this time being taken over by Robert Tatman. Mr. Tatman managed the office for eight years, during which time Altona was developing rapidly. The need for a larger post office became pressing, and in 1949 the Postmaster-General's Department purchased land in Queen Street to provide the site for an official office.

OFFICIAL POST OFFICE

The Altona Post Office was raised to official status on August 28, 1950. On that date it was transferred from the general store to a fibro cement building erected on the Queen Street site. Mr. A. C. Aylmer, a permanent officer of the Department, was appointed as Postmaster. The new post office provided a total floor space of approximately 1,250 sq. feet, not large by modern standards, but a considerable improvement on the cramped conditions that existed previously.

In August, 1952, Mr. G. J. Curry succeeded Mr. Aylmer, then followed Postmasters: Mr. C. S. Murray, in 1954; Mr. D. Blood, in 1963; Mr. J. Stephens, in 1968; and now, Mr. R. J. Scott, who has just been appointed to the new office.

THE NEW POST OFFICE

During the last financial year, more than two million postal items were handled at the Altona Post Office. To cope with the rapidly increasing volume of postal business, the Postmaster-General's Department has replaced the old fibro cement office with the new, single storey brick building designed by the Commonwealth Department of Works, and constructed by H. & L. Weaver, of Altona, at a cost of \$85,589. The building was designed to save money on maintenance. There is a minimum of outside painting. Doors, windows and facia are of aluminium. Special bricks from Ballarat laid with recessed joints form the external brickwork.

Inside, special wall sheets will help cut maintenance. The post office is heated and cooled by an oil circulatory system which cost about \$8,000.

The back (east) wall was designed to permit future extension of the 42 square building.

Very modern staff amenities, lunch, change and locker rooms, have been provided.

Although designed primarily for the efficient handling of mail, the new building also provides comfortable conditions for people transacting postal business, and, at the same time, it stands as a tribute to the significant growth of Altona.

Letters to the Editor

June 23, 1969. The Editor, Dear Sir —

The Editor, Dear Sir —

At the request of the Citizens of the City of Altona, I have agreed to announce, at this early date, that I shall offer myself for election to the Altona City Council at the forthcoming Municipal Elections in August.

I have lived in this district all my life and have been in regular attendance at Council Meetings for several years, and as the Chairman of the Residents' Protest Committee for a better deal for the Lower Yarra Freeway Crossing victims from the Country Roads Board, I have had many opportunities to have discussions with Councillors, Council Officers, Residents and Government Officers.

I have built my new home in Blackshaws Road, Altona North, in the fast developing Rayner/Village Estates, and I feel that these new ratepayers will be pleased to have a Council representative in their area.

My family have had a lifelong interest in Altona; my father being a member of the Altona Lifesaving Club in 1928. I have been told that in fact Somers Parade was named after our family, who were early pioneers in the district.

I am a Boilermaker by trade and have been a member of the Blacksmiths' and Boilermakers' Society for the past 17 years; 3½ years of which I acted as Shop Steward.

I shall be pleased to hear from any ratepayer who is prepared to work on a committee to support my candidature and, if elected, I promise to work for the good of all in Altona.

Yours faithfully,
BILL SOMMERS.

TRUGANINA RESERVE

The Editor, Dear Sir —

In the Altona Star of June 25, a correspondent, H. Thompson, asked — "Whatever is happening to the Truganina Housing Project?"

The object of the letter is plain — to discredit the present Council. The first of many to be expected before the August Elections.

The original offer by the Altona Council for Truganina was £175,000 (\$350,000). Some of this money was then available but was used by the then Labor Council for other purposes.

Despite continued efforts by the present Council the necessary legislation has not been passed by the Government to enable the Council to buy the land, meanwhile the present Council has maintained good faith by spending money on drainage and filling in this area. Some areas will require up to seven feet of filling.

The total cost will exceed, by a sum in excess of one million dollars, the original purchase price of \$350,000 — Filling, Drainage, Water reticulation, S.E.C. Lighting, Roadmaking and Footpath Construction — all to be found from rates or loan funds.

If one divides the number of building blocks the development would make available into the total costs, the price of each block would just about break even with current land values.

Before rushing into print Mr. Thompson should get his facts straight.

Yours faithfully,
H. V. JEAVONS.

The Committee of "David House" Retarded Children's Centre wish to bring to the notice of the electors in this Electorate the lack of co-operation and acceptance of responsibility in the operation and maintenance of Mentally Retarded Children's Centres in the State of Victoria by the present Liberal Government.

This, to these children, is education and the only education they will ever know. Unlike all other forms of education there is no end. No going out at the top and coming in at the bottom. As there is no age limit, and these children will be for their life span solely dependent on others to help and train them, it is all coming in and no going out. Therefore, we must continually plan for future expansion due to the number of these children born each year.

On Capital Expenditure approved by the Minister of Health a subsidy of four to one is available. The actual equipping operation and maintenance of the Centre is the responsibility of the local Committee, whose duty it is to raise funds locally to augment the Subsidies paid for this purpose. These are in two categories — 1. Maintenance; 2. Transport. It is over these Subsidies that the Government's attitude is causing alarm to the Committees, and, if not rectified and rectified quickly, it will mean that some Centres will have to close down, and others will only be able to operate on a part-time basis.

In December 1966 a Wages Board was set up for Teachers of Intellectually Handicapped Children. Since then, six variations have been made to the initial award. As from August 14, 1968, three increases have been made to their Award, giving them an over-all increase of 25% in salary in just over two years. Since January 1, 1967, the Government in its generosity has given to the Centres an increase in Maintenance Subsidy of 12½%, this last being as from April 1, 1968, when we were advised that it was only an interim increase.

The Transport Subsidy has not been increased since it was first granted over ten years ago. No provision is made by the Government to cover long-service leave payments, sick leave (which is 10 days per year, cumulative for all staff), or the increase in cost of all items necessary to maintain and operate a Retarded Children's Centre.

Including subsidies, the cost to maintain and operate "David House" is \$36,000, of which the Government pays \$21,000. It costs \$7,948 to transport the 97 children to and from the Centre, of which Government pays \$2,910.

The annual cost to the Committee to maintain and operate a Centre for Retarded Children in Footscray & Districts is \$15,000. On top of this, provision must be made for the replacement of equipment, additional training aids and, most important, increase in building space to accommodate the growing number of children.

The Committee feels that this matter should be brought to the notice of the Electors in this area, and we would ask all who are interested in the handicapped, whether they be mentally or physically handicapped, to enquire from the respective candidates in the forthcoming State Election their attitude to this very important matter and vote accordingly.

L. M. OSBORNE,
Hon. Secretary

OLD-TIME NIGHT POPULAR AT SQUARE DANCE

There was lots of fun at the Altona Square Dance last Thursday night with everyone joining in the spirit of it by dressing in the style of the Fifties. They danced to many old timers such as "Oh, Johnny, Oh" and the Jessie Polka.

A dance planned for beginners to be held in the Footscray area, commencing early August is almost finalised. The dance is held each Thursday night in the Youth Hall, Civic Parade with caller David Hooper. Dancing is from 8 p.m. to 11.15 p.m. and a welcome is extended to all.

CAMERA CLUB ELECTIONS HELD

The election of office bearers for the next twelve months was held at the general meeting of the Altona Camera Club last Friday.

Those holding office are as follows:

President: J. Merrills.
Vice-Presidents: R. Hawkins and J. Simpson.
Secretary: A. Paterson.
Treasurer: E. Gunn.
Print Steward: K. Hart.
On Thursday, July 3, a visit has been arranged to Kodak, and all members wishing to attend should meet at the clubrooms at 7.15 p.m. sharp.

Entries for the June competition can still be handed to the President this week. Members are reminded that the July competition is "Hands" — at work, play or rest. This should be quite a challenge for members who are urged to try. The camera club meets each Friday of the month (except the first) and the next meeting will be held on Friday, July 11, at 7.30 p.m.

A.H.S. P. & C. MEETING

"Advertising" will be the subject Mr. G. Emmett will speak on at the conclusion of business at the meeting of the Altona High School Parents and Citizens Association to be held at the school next Monday, July 7, commencing at 7.30 p.m. All parents are welcome.

Parent-Teacher Night for Altona West

A parent-teacher night will be held at the Altona West State School on Wednesday, July 9 at 8 p.m. This will be for the sixth grade children only.

Representatives from Altona High School, Altona North Technical School and Williamstown Girls School will attend the meeting and explain the courses available at their schools.

SUCCESSFUL BOTTLE DRIVE

Altona Presbyterian Junior football teams appreciate the support given for the bottle drive conducted last week-end.

Residents who still have bottles they wish to donate could ring 398-1585 and arrangements will be made to collect them.

SEAHOLME MOTHERS' CLUB MEETING

The next meeting of the Seaholme State School Mothers' Club will be held at the school at 1.30 p.m., on Monday next, July 7. All mothers are welcome to attend.

CHIROPODIST

JEAN K. BRADBURY.
LCC, MCOV, Dip.AIO.
c/o HERBERT, Chemist

Foundation Meeting AWMC Outdoor Bowls

Application forms for membership of the Altona Working Men's Club Bowling Section are available from the club office. Annual subscriptions of this section for club members are \$7 for men and \$5 for ladies.

Guest speaker at the Foundation meeting on Sunday, July 6, to be started at 5 p.m. will be Mr. Max Hale who will show two short films on outdoor bowls.

A hot meal will be available at approximately 6 p.m. for all members attending this meeting.

To assist in catering and seating arrangements members intending to be present and those who will be taking the meal are requested to register their names at the club office.

Only financial members of the Club and also the Outdoor Bowls Section will be eligible to attend the Inaugural meeting on July 27 at 5 p.m. when the sub-committee and Associates Committee for Outdoor Bowls will be elected.

An official representative from the Royal Victorian Bowls Association will attend this meeting and a hot meal will be available from 6 p.m.

A. W. M. C. ASSOCIATES

A friendly and relaxed evening was spent by the Associates at their monthly gathering in June. It was a Beetle Night which caused much fun and laughter.

The Opportunity Table, whilst not overloaded, held many interesting and useful 'bits and pieces' and many Associates went home quite satisfied with their purchases.

The Smorgasbord on June 22 was a huge social success. Tickets were sold out days before the event and those present voted it 'a great night'. The entertainment under the Ray Styles Duo was hilarious at times, and this, coupled with the Smorgasbord provided by the Associates, made it quite a night. The delicious food was tastefully set out, there was great variety and plenty to eat. A happy time was had by all.

The next big happening to be organised by the Associates is the Dinner Dance on Friday, July 25. This will be from 7 p.m. to 1.30 a.m. with Sherris and Savouries, to be followed by a 4-course dinner with late Supper. There will be novelties. Tickets \$3.50 each. Ticket Secretaries are: Marg. Spence, Alice Yates, Joyce Rowe and Charlie Thompson. Unfortunately, the capacity of the Club Hall and seating arrangements limits the number of tickets and these are selling fast. Any member thinking of coming along should obtain tickets at once. All tickets must be paid for by July 18 and no returns will be accepted after that date.

The next monthly meeting of the Associates will be on Monday, July 28.

OFFICE BEARERS RE-ELECTED

At the last meeting of the 4th Altona Scouts Ladies' Auxiliary, office bearers were re-elected for the following year. They are:

President: Mrs. Esther Wilson.
Secretary: Mrs. Shirley Haining.
Treasurer: Mrs. Nancy Layton.

YOUNG WIVES MEETING

The next meeting of St. Eanswythe's Young Wives will be held on Tuesday, July 8, at 8 p.m. in The Vicarage, 7 Bent Street, Altona. The Vicar will lead a discussion on "Christian Marriage".

ENGAGEMENT PARTY

Waiting in the foyer for guests to arrive at the Civic Hall on Saturday night are recently engaged couple Miss Jill Osmotherly and Mr. Doug Stephens.

Friends and relatives, some of whom travelled long distances from country centres, came to celebrate the engagement with them.

In welcoming the guests, the couple were joined by her parents, Mr. and Mrs. J. R. Osmotherly of Balwyn, and his parents, Mr. and Mrs. Jim Stephens of McBain Street, Altona.

Jill wore a brown fur fabric frock with cream accessories.

During supper Jill's uncle, Mr. K. Lambe, proposed the toast to the young couple and Doug's uncle, Mr. G. McNeillage, also spoke.

MOTHERS' CLUB STALL

The Altona West State School Mothers' Club are holding a stall at the school on Education Day on Wednesday, August 13. They would be grateful for any donations of sewing, groceries or any other saleable goods, which may be left at the school.

ONE CHANGE ONLY IN EXECUTIVE OF LADIES BOWLING CLUB

All except one of the executive members of the Altona Ladies Bowling Club were re-elected to office at the annual meeting on June 23.

After three years in office as secretary, Mrs. Esme Martin announced her retirement. In appreciation of her work members presented her with a gift.

But she has not retired from active participation in club administration. She was elected press correspondent.

President Mrs. Phyl Stephens was elected for a second term as president, as was Mrs. Mavis Andress, senior vice president, Mrs. Beryl Tribe, junior vice president, Mrs. Ivy Gibson, assistant secretary, and Mrs. Lorna Walsh, treasurer. New secretary is Mrs. Queenie Cox.

Presenting her first annual report, Mrs. Stephens thanked most sincerely all the ladies who had in many different ways supported her during the 12 months she had been in office. She also commented on the splendid results of the season's games and social activities.

Treasurer, Mrs. Lorna Walsh, detailed the Association's financial position, the main item being the handing of \$1,000 to the Altona Bowling Club. Committee members elected were: Mesdames Edna Russell, Isla Probert, Jane

MAYOR COMMENDS GUIDES' MOTHERS

Mothers of Altona guides and brownies have done a magnificent job in getting their hall in Civic Parade to the present stage, said the Mayor, Cr. Les Crofts, last week at the Council meeting.

He said reports presented at the Association's annual meeting which he recently attended revealed that in the past year the hall had been fully lined. Cost of the ceiling alone was \$386. He said he commended the Committee for their outstanding effort. But, he added, the hall now needs painting.

Cr. Crofts appealed for more parents to come forward and assist.

He again stressed the wonderful work already achieved by the mothers with the help of service groups and parents.

However, to get the painting done, more help is needed from parents and Cr. Crofts expressed the hope that Council may be able to assist in some way.

McNeillage, Min Woodyard, Jan Douglas, Irene O'Donnell, Beryl Davis and Besie Neal.

Selection Committee — Mesdames Win Neal, Lorna Walsh, Roma Shaw, Beryl Tribe and Carman Ford.

Bowls Committee — Mesdames Irene O'Donnell, Dot Gadsden, Min Woodyard, Glad MacKellar and Mavis Andress.

Umpire — Mrs. Isla Probert.

For season 1969/70 two sides of 16 players will be entered in metropolitan pennant which commences on October 7.

As last year, a bus will be hired to transport player on pennant days.

Before closing the meeting Mrs. Stephens thanked the ladies who had taken office and on behalf of all members wished them a happy and successful term of office for the coming season.

Two reminders for members — picture night at the club on Friday, July 1, and social function at the home of Mrs. Min Woodyard, 42 Mount Street, on Wednesday, July 9.

CRAZY WHIST RESULTS

Results of last Wednesday's Crazy Whist day held at the R.S.L. Hall, Altona, were:

Highest — Edna Beyer.
Lowest — Joan Russell.
Special Effort — Edie Snowling.
Aggregate — Elsie Locke.

VISITORS FROM SHEPPARTON FOR BOWLS

At the bowling held at the Altona Working Men's Club on Tuesday, June 24, the winning team captained by Lorna Walsh, included Glad McKellar and Beryl Brown. The special effort was won by Shell Camp and the door prize by Mavis Andress.

The next bowling day at the Club will be on July 22.

Thursday night winners were Doris Sheriffs (Capt.), Bill and Marge Spence and Muriel Hansen.

Last Sunday morning the Working Men's Club welcomed a bus load of bowlers from Shepparton and district.

The bowling began at 11.30 a.m. and finished about 4.30 p.m. Eighty bowlers took part, including also bowlers from the North-West group. A three course dinner was available to all bowlers. At the end of play an excellent afternoon tea was served by the bowling committee.

ALTONA FILM SOCIETY

At the Annual General Meeting of the Altona Film Society, which was held recently, only eight of the thirty-seven members were present.

The following office bearers for 1969/70 were elected:

President: Mr. A. W. Simpson; Vice President: Mr. J. Shanks; Secretary: Miss W. A. Thompson; Treasurer: Miss L. E. Thompson; Committee: Mr. and Mrs. J. Bradie, Mesdames M. Griffiths and B. Harris.

Members expressed their concern at the lack of support from Altona adults. Membership costs only \$2.00 per annum or \$3.00 for joint membership.

Screenings in the near future will be held on Friday, July 4, Tuesday, July 15 and Tuesday, August 5, at the Civic Hall. New members are always welcome.

\$50 EACH FOR CULTURAL ORGANISATIONS

A grant of \$50 each from the City of Altona Council has been allocated to six local cultural activities.

Cr. Pat Burns moved the grants to be made to the music, drama, film, historical, camera and chess organisations.

The motion seconded by Cr. Pat Lynch was agreed to by Council.

Val's Column

Hello Girls

Have you collected your Amcal taxation record card? Now is the time to start one for 1969/70; so resolve to keep a record of all your medicinal purchases with us, on a taxation record card. — Let us write down each of your entitlements throughout the financial year.

Just because it isn't hot weather, I hope you haven't forgotten your deodorants or anti-perspirant!

There is so much air-conditioning now that we are kept quite warm 24 hours a day — and we don't want to offend.

Do you know the difference between them? DEODORANT — as the name implies, deodorises. These come in cream form, stick, roll-on or spray form, to suit your requirement. It is usually necessary to change brands now and again as the body becomes used to the same one.

ANTI-PERSPIRANT — is also self explanatory, usually in a dab-on bottle, or spray form. The first week they are to be used nightly, then twice a week. The solution enters the skin pores and acts, stopping the moisture in the treated area.

In winter we only think of stopping this under arms to help prolong life of woollen clothing. In summer these anti-perspirants can be used, just as effectively on palms of hands, or soles of feet, even on the forehead.

But do remember, we still lose the same amount of fluid, so it will come to the surface elsewhere.

Revlon and Dorothy Gray both have "specials" on their roll-on deodorants at the moment, also as a matter of interest we have over 70 varieties to choose from.

"Oh, look, isn't Anne wearing a pretty lipstick and, yes, her nail polish is a perfect match!" I guess she noticed the 2 in 1 special by Dorothy Gray. Polish and lipstick — for the price of the lipstick — in soft shades of pink and beiges. "Must get one". — Bye.

COMMENCING MONDAY, JULY 7, 1969.

B.F. Goodrich

B.F. GOODRICH CHEMICAL LIMITED

Requires the services of a maintenance clerk

MAINTENANCE CLERK

DUTIES:

To be responsible to the Maintenance and Electrical Foremen for the operation of our maintenance records and systems, and will also be required to assist with the compilation of time sheets, scheduling and other clerical work as may be required.

QUALIFICATIONS:

In the carrying out of the above duties, several years clerical experience is necessary and a background in an engineering shop would be an advantage.

SALARY AND CONDITIONS:

A generous salary will be negotiated on the basis of qualifications and experience. Other benefits include Free Life Assurance on commencement and Superannuation after a qualifying period.

APPLY:

Applicants, who will be required to provide their own means of transport, should ring Mr. J. Marshall, 399-2322, in order to make a mutually convenient time for an appointment.

SECRETARY

A capable senior stenographer is required to carry out secretarial duties for the Manager and Secretary at our Altona office.

Some experience in book-keeping and typing of Financial Reports is desired but not essential.

Hours 8.30 a.m. to 4.30 p.m. Uniforms supplied.

Half day shopping leave per month. An excellent salary is envisaged for the right person.

For further details ring the Secretary, MAURI BROS. & THOMSON, ENGINEERS CO.

3 Baldwin Road, Altona North. Telephone: 399-2247. A.H. 398-1691 (Mr. Proffitt).

Few Houses Connected to Sewer — Pamphlets to be Circulated

The Board of Works advises that 20 houses have now been connected to the sewerage system in the southern section of Altona.

They will soon declare the reticulated areas of this part of Altona a sewerage district. This will enable the Board to charge a sewerage rate whether the residents connect to the available sewer or not.

At the last Council meeting Cr. H. Weaver said there were 870 houses in this section not connected to the sewer although the sewer passes their properties.

He said there could be various reasons for them not having the sewer connected such as finance or lack of communication between the Board and the people.

Cr. Weaver considers they need help from the Council and suggested in conjunction with the Board and the Altona Town Clerk a small pamphlet be prepared.

This would tell the people when sewerage was coming and how to obtain finance. The cost of 3,000 pamphlets would be about \$88.

The pamphlets would be delivered into areas that are reticulated and parts due to be reticulated.

Cr. Weaver moved a motion that the pamphlets be prepared.

In seconding the motion, Cr. P. J. Lynch said it was the Council's duty to inform the people. Council all agreed on the motion.

SCIENTISTS AT COUNCIL MEETING

Two noted scientists were in the gallery at last week's meeting of Altona Council.

Both are connected with the Defence Standards Laboratory where the Mayor, Cr. Les Crofts, is also a scientist.

The visitors were Dr. Brian Jones of Sheffield University and Mr. Jack Keane with whom Cr. Crofts spent 12 months in England.

Elderly Citizens Social Club News

On Friday, July 4, there will be cards and bowls at the Elderly Citizens Club at 8 p.m. Donation is 35c and there are good prizes including a door prize. Supper is provided.

A committee meeting of the Social Club will be held on Monday, July 7, at 1.30 p.m.

The monthly dance will be held on Saturday, July 12, at 8 p.m. Dancing is old time and modern. Supper is provided and a door prize and monte carlo are features of the evening.

10th National Boat Show is Bigger than ever

Melbourne's 10th National Boat Show, scheduled to run each day from July 4 to 12 at the Exhibition Buildings, will reflect the rapidly growing interest of Australians in all forms of boating. Covering an area of 210,000 square feet it is the biggest yet to be staged in Australia and its popularity is underlined by the fact that the half-millionth visitor will be welcomed to the 1969 event.

It is estimated that Australians are spending around \$60 million each year on boats and accessories. The value of merchandise on display at the 1969 National Boat Show is estimated to be around \$2 million.

The type of craft on display will range from the small, sleek canoe through to the weekend fishing or sailing boat, hundreds of popular power boats, a range of over 30 classes of yachts, right through to the family and ocean-going cruisers. The houseboat, a comparatively new-to-Australia attraction, ideal for inland waters, will be represented by at least four models on display this year. For the family man with youngsters, there's a wide selection of first-step-to-sailing craft including the new 7'6" Puffin and the Winstone Sparrow.

For competitive sailing types there will be on display craft from 33 associations. They range from the popular Sabot, Sharpie, Flying Junior and Seafly Signet through to the national class types like the Sailfish, Flying Fifteens and GP 14s and international class such as the Finns and Contenders, right up to the 24-foot Endeavour sloop.

Strongest representation will be in the power boat field, where such names as Wildcat, Corsair and Cougar from the Caribbean range, Sprint, Viking and Falcon from Swiftcraft, Electra from Savage all compete for glamour on at least equal terms with the sportiest terminology of fast cars.

WOMEN

wanted for sewing easy piece work at home. Good rates. Genuine offer.

Send S.A.E. for details. KINDY KREATIONS, 161 Stanley Street, South Brisbane, 4101.

Engagement Klisenko — Ross

Mr. and Mrs. Y. Klisenko, of 27 Mount Street, Altona, are happy to announce the engagement of their younger daughter, Agnes, to William Douglas, elder son of Mr. and Mrs. N. Ross, 87 Railway St., Altona.

Toolern School Centenary

The Centenary of Toolern Vale State School will be celebrated on Saturday, August 16, opening with roll-call at 11 a.m., then antique display, luncheon, parade of old and new cars, barbecue tea and concluding dance.

Former pupils and teachers are assured of a cordial welcome and may obtain full particulars from Miss L. Storey, Secretary, Phone 746-1210.

Annual Hospital Debutante Ball

Second Sponsorship by Mr. & Mrs. Con Weickhardt.

Back in 1951 the Footscray and District Hospital Annual Ball was sponsored by Mr. & Mrs. Con Weickhardt and again after 18 years these hospital minded people will again be responsible for this year's ball.

Mr. Weickhardt each year contributes towards the cost of publishing the Hospital's Annual Fete Programme.

EMINENT KNIGHT-SURGEON TO RECEIVE DEBS.

Sir Geoffrey Newman-Morris, K.St.J., E.D., M.S. (Melb.), F.R.C.S. (Eng.), F.R.A.C.S., will receive the Debutantes at the Footscray and District Hospital Annual Ball on Tuesday, July 29, in the Orama Ballroom.

Sir Geoffrey has two interesting publications, one dealing with a Mobile Surgical Team in New Guinea (1944) and "Per Humanitarianism ad Pacem" (1964). He was OC Surgeon during the 2nd World War with AIF attached to the 2/7 AGH and 2/11 AGH and was mentioned in dispatches.

Table bookings are now available for this very popular Ball and may be made with Mrs. W. Stoneham, 58 Irving Street, Footscray (Phone: 68-1498) or Mr. E. A. France, Manager/Secretary, Footscray and District Hospital. (317-0211).

DRIVER EDUCATION WANTED FOR SCHOOLS

Driver education should be introduced into secondary schools said Cr. Bob Harrison at last week's Council meeting.

He said the best time to educate potential drivers is before they become licensed. Therefore the best time is while the young people are still at school.

His motion that a letter be sent to the Driver Assimilation Advisory Board informing them that this was the view of Altona Council was readily agreed to by fellow councillors.

Marching Girls Training Commenced

The Altona Youth Club Marching Girls has now been reformed and have started training.

All girls and parents who are interested can come along to training and will be very welcome. Training is at the Altona Youth Club every Tuesday night. Midnets from 6.30-7.30. Juniors and Seniors 7.30-8.30 p.m., also at the Altona High School, Saturday mornings.

Juniors and Seniors 9-10 a.m. Midnets 11-12 noon. Fees are 30c per week. For any further inquiries please ring Mr. J. Clark (Pres.), on 398-1850.

Altona too Skilful for Tottenham

Altona City football team, too big and skilful, easily defeated a struggling R.A.A.F. Tottenham at the Services ground last Saturday. Scores were: Altona 22-21 to Tottenham 2-3.

Altona established an early lead when kicking into a strong gusty wind they kicked 4 goals in 10 minutes, through the efforts of full forward Hogan.

Tottenham, with smaller players, were being smothered out of the game but still managed a goal for the quarter.

The rough ground and bad wind conditions created a very scrappy game and with both back lines leading to the ball, the scoring rate slackened. Schwabe popped another through for Altona on the bell to leave them in a handy position 5-5 to 1-1.

The bounce of the ball found a lethargic Altona unable to break through easily but good individual efforts from G. Brennan and Crump saw Altona go further ahead. But the match again lapsed into a battle of the back lines for most of the quarter as itter, Campbell and Reilly kept the ball into the scoring zone, only to see it come back through the home side centre.

Crump was still featuring with rugged play in the packs and with these methods finally created the opening for Wooding to run in and score a major to redeem some face for Altona.

The third quarter opened with all players now realising that a chance to build percentage was theirs. This opportunity was not wasted when Wenlock posted a major with a quick snap. Wooding then came down again from the wing and popped another.

G. Brennan was too fast for the opposition and found the target too and Altona were looking like a team with premiership aspirations. Harrington was running on the ball and wearing a permanent cut lip and scored with an excellent snap. Tottenham were completely disorganised.

The home side in a rare burst of good play took the ball down to goal only to find Nad Jankiewicz keeping them out. The rebound from Campbell found Schwabe, marking with safe hands, and another six pointer went up. A few minutes later Schwabe got another, finally Chatfield, finding his feet after a quiet day, put a long one through to finish an excellent quarter.

The last term started with the wind becoming colder and stronger but Altona were pinned on the non-scoring flank early on.

WANTED

Man or woman who prefers outdoor healthy work in profitable business of your own. Pays better than most occupations. No experience or money required. Good districts available. Full or part time work.

WHERE YOU SAVE MONEY

HOCKEY:

A Reserve Down to University 4-2

In a disappointing start to the second round, Altona have now lost the first two games, as against only one loss in the whole of the first round.

Big holes have been shot through the defence, 10 goals being scored in the last three matches and positive steps must be taken to tighten this aspect of Altona's game.

University are to be congratulated, last on the premiership ladder, they dished out a hockey lesson to Altona, who although defeated retained second position. Uni. were first to the ball and had 3 goals up at half time. Altona came back with goals from A. Baillie and a beautiful backstick goal by R. Smith. However another goal by Uni and they ran out easy winners.

Best: D. Bartlett, W. Le-neczyn and a good captain's game by P. Hunter who was carrying an injury.

B North were defeated by University 3-2

D North were defeated by Latrobe Uni. 5-1 Latrobe, having joined competitive hockey this season, are obviously under-rated and graded well below their proper level. They are undefeated with 60 goals for and 3 against.

The Altona boys were not disgraced and it is a credit to the team that they have scored 2 of the 3 goals registered against Latrobe this season.

Three promising young players, Ross Ericson, Ken Randall and Lionel Haslam, showed up well during the game and never gave up. Altona's goal came from a beautiful pass from Keith Waters which was netted by John Golden.

Under 16 defeated MCC 2-0

Playing at home, Altona proved to be the better side with a 2-0 win. Attacking from the start and through the good play of Dick Heaney, Altona scored their first goal within the first few minutes. From then on play sea-sawed up and down the ground but neither team was able to capitalise. All valiant attempts by MCC to equalise the score were turned away by Altona's reliable backs M. Kroll and S. Jensen.

In the second half Altona continued to keep up the pressure. When Chris Bruce ran down the right

wing and into the circle another good goal resulted for Altona.

Best: M. Kroll, P. Byrne.

Under 14 defeated Essendon 2-0

In a completely one-sided game, Altona should have registered a cricket score against Essendon who are low on the premiership ladder.

If Altona are to be a finals team then they will have to convert more scoring opportunities.

Play in the first half was all in the Altona scoring zone. J. Forrester, J. Mallett and G. Groves were doing everything right except hit goals.

A lone run by an Essendon forward found the backs out of position and it was left to P. Aitken to clear from an almost hopeless position.

It took Altona 10 minutes into the second half to notch first goal from a good shot from J. Forrester which finally found the net. He quickly followed this up with another from a penalty corner.

Best: R. McCauley, J. Forrester, M. McDonald.

Under 12 defeated MCC 8-0

Alan Relp who was unfortunately injured in an explosion of a tin of thinners, was missing - he is wished a speedy recovery by his mates.

However Altona had no trouble defeating MCC who were only able to field 8 men. Mark Gilson had a field day and scored 7 goals. Maurice Burgess got the other one.

New players were given a run and Hibbert & Hunter showed out well.

Best: Gilson, Studley, Brown.

General Meeting this Thursday, July 3, at 8 p.m. in the clubrooms.

Home games next Saturday

Seniors Round 12 of 18:

1.35 p.m. - B North v. Melb.

3.15 p.m. - D North v. Uni. Melb.

3.45 p.m. - A Reserve v. Melb.

TWO LOSSES FOR LADIES

HOCKEY TEAMS

Altona Ladies B Grade hockey team went to Oak Park this week, confident of a win after last week's game. However, Oak Park were a strong, determined team who won the game all day.

Altona were lethargic, lazy and lacked all incentive to get the ball. They were prepared to sit back and wait for the ball, while Oak Park took every opportunity available.

Altona will need to have a lot more enthusiasm for the ball if the team is to get into top four.

Scores were: Oak Park 4, Altona 0.

The E North ladies hockey team played a very hard game against Eltham, and although defeated 3-0, were not disgraced as the whole team played well.

Lee Watts saved some good shots in goals and D. Cronin played well on the forward line with only bad luck stopping them from going into the net.

There was also good play by W. Hopkins and Jan Spackman on the back line. Umpires votes for best players: D. Cronin, J. Spackman.

U.18s Defeated by West Newport

By "Dib"

West Newport 14-18 defeated
Altona City 8-11 in the Under 18
match on Sunday.

West Newport displayed teamwork in backing up and being on the move when receiving the ball from a team-mate. Fierce tackling by both sides caused many packs.

In an attempt to get the game flowing, infringements were let go but this led to confusion and more congestion, with resulting injuries. Lack of cohesion up forward with poorly placed kicking for goal plus big occasion nerves crippled many players. Many Altona attacks lapsed at the vital moment because of little talking as a team. Many players left their opponent to find him yards away leading for the ball. Disposal was at times slow with many players being swamped.

Everyone gave mountains of energy. With talk and teamwork it will be directed to more productive scoring.

Well tried boys — more training together to know each other's type of play. They must make a special effort from now on as only 6 weeks remain before the finals.

To succeed under pressure the boys must completely know each other's total ability.

Goal kickers: Stephenson 2, Shannon 2, MacLeod 2, Chalmers 1, Grainger 1.

Best Players: 3 votes Egan, 2 votes Pateras, 1 vote Hardham.

Also Shannon, Groves with all others a little out of touch but still trying.

Western Suburbs Churches Colts

RESULTS OF 28-6-69

U. 15:
Holy Trinity 6-15 — 51 defeated Laverton Youth 3-0 — 18.

W'town Meths 9-10 — 64 defeated Yarra Combine 6-7 — 43.

Yarra St. Lukes 5-9 — 39 defeated Westport Meths./Pres. 3-4 — 22.

U. 12 Ladder:
W'town Meths 290% 40 pts.; Altona Presby 687% 36; Yarra Combine 131% 28; Holy Trinity 122% 24; Yarra St. Lukes 65% 16; Westport Meths./Pres. 22% 8; Laverton Youth 11% 8.

U. 12:
W'town Meths. 4-2 — 23 defeated Altona Meths 1-3 — 9.

Holy Trinity 6-7 — 43 defeated Laverton Youth nil.

Yarra St. Lukes 2-0 — 12 defeated Westport Meths./Pres. 0-4 — 4.

U. 12 Ladder:
W'town Meths 256% 40; Altona Presby 302% 32; Holy Trinity 240% 32; Altona Meths 41% 20; Yarra St. Lukes 57% 12; Westport Meth./Pres. 55% 12; Laverton Youth 40% 12.

This week's matches are:
U. 15: Yarra St. Lukes v. Laverton Youth; Holy Trinity v. W'town Meths; Yarra Combine v. Altona Presby (Ford Reserve, Altona).

U. 12: Holy Trinity v. W'town Meths; Altona Presby (Ford Reserve, Altona); Yarra St. Lukes v. Laverton Youth.

ALTONA U 16 DEFEAT WEST NEWPORT

Although short of several top players, Altona had an easy win against West Newport last Saturday. Scores were: Altona 16-15 to West Newport 2-3.

Starting with a strong wind in the first term, Altona played very poor football, the only bright spot being 3 goals by Wange Gates, who was standing in at full forward. At quarter time Altona led 4-6 to 1 goal.

In the second term, Altona lifted their game considerably, due mainly to the brilliance of Wayne Patton, who continually opened up the game with intelligent play and put some of his bigger team-mates to shame with his determination to go in and get the ball. Garry Jackson had also taken control of the centre and at half time Altona led by 32 points.

As the game progressed so did the standard of play by the local boys improve with many more players starting to fit into the pattern of team work. It was evident in this quarter that the Morgan twins are starting to hit top form and will make their presence felt from now on. By kicking 7-5 to their opponents solitary point, Altona had shown something like their true form.

Kicking into the wind in the last quarter, Altona again held West Newport to 1 point, whilst they scored 3-1 themselves. Kevin Dern finished off a good solid game with a fine goal. Neville Healey, showing great improvement, turned in his best game for the season.

Best players: Patton, Jackson, G. Morgan, Haining, Dern, R. Morgan, Greco, Puopolo.

Goal kickers: Gates 4, Dern 3, Patton 2, Blokkeerus 2, R. Morgan 2, G. Morgan 1, Moylan 1, Roosenboom 1.

Star Votes: 3 W. Patton, 2 G. Jackson, 1 G. Morgan.

ST. PAUL'S FOOTBALL RESULTS

SATURDAY, JUNE 28, 1969.

U. 12:
Although a rugged game, St. Paul's proved too strong for Albion No. 2 in a game marred by inconsistency. St. Paul's 6-4 — 40 defeated Albion No. 2 2-5 — 17.

Best: B. Burnett, P. Hayes, J. McCarthy, E. Jones, V. Pino, J. Enright.

Goals: B. Burnett 2, P. Hayes, J. McCarthy, J. Piddo, V. Pino.

This week at home to Brooklyn.

U. 14:
St. Paul's finished too well for Braybrook to run out convincing winners. St. Paul's 7-9 — 51 defeated Braybrook 5-3 — 33.

Best: S. Mandics, M. Pearson, M. Penfold, A. Cutroni, J. Parker.

Goals: S. Mandics 2, J. Parker 2, M. Carlton, P. Enright, M. Pearson.

This week away to Albion.

U. 16:
A more determined Braybrook held out St. Paul's who were kicking with the wind in last quarter and had opportunities to win. St. Paul's 5-10 — 40 lost to Braybrook 5-13 — 43.

Best: P. Sanger, G. Walsh, A. Hersbach, Pearce, N. Gandolfo, G. Collins.

Goals: N. Gandolfo, A. Hersbach, R. Lenini, M. Szalay, G. Walsh.

This week at home to Albion.

WEST GATE JUNIOR RUGBY UNION RESULTS

Under 12:
W'town/Altona v. Power House, played at Middle Park.

Scores: W/A 3 lost to Power House 9.

Scorers: Peter Gaitan, Try.

Best: Shane Collinson, Peter Gaitan, Michael Gurkin, Philip Davidson.

Marked hesitation in going in for the ball by the forwards allowed Power House considerable possession of the ball.

Under 14:
W'town/Altona v. Box Hill Waratahs at The Strand Reserve, Newport.

Scores: W/A 6 won from Box Hill 5.

Scorers: Michael Hammond and Barry Whitehouse, tries.

Best: Richard Roper, Alan Moore, Barry Whitehouse.

Determination in tackling and gaining ball possession eventually allowed W/A to put down the winning try in the closing stage of the game.

St. Paul's College v. Moorabbin played at Moorabbin.

Scores: St. Paul's 5 lost to Moorabbin 6.

Scorers: Michael Gordon, try, Paul Fitzgerald, goal.

Best: Noel Jean, Michael Hammett, Glen Mitchell.

This evenly matched game could have gone either way.

Under 16:
Altona North Technical School v. Army played at Langshaws Reserve, Altona North.

Scores: A.N.T.S. 3, lost to Army 14.

Scorers: Phil Littlewood, penalty goal.

Best: Trevor McCubbin, Barry Hawkrige.

Army stated that this was the hardest game they have faced this season. They were not able to achieve their usual run away score, and one of the hardest and yet most friendly game seen for a long time resulted.

NEXT WEEK

U. 12 — W/A v. Scotch College at The Strand Reserve, Newport, at 9 a.m.

U. 14 — W/A v. Moorabbin at The Strand Reserve, Newport at 10 a.m.

St. Paul's College v. Box Hill Wallaroos at St. Paul's College, at 10 a.m.

U. 16 — A.N.T.S. v. Geelong at Langshaws Reserve, at 11 a.m.

INSTRUMENT TECHNICIAN

We have an opportunity in our Electronic/Pneumatic Instrument Maintenance Division. Preferably for an experienced man, but a man experienced in electronics only would be acceptable and every opportunity would be provided to enter into the pneumatic field.

Conditions are modern and excellent. Superannuation, canteen, social club.

Apply: Personnel Officer,
UNION CARBIDE AUSTRALIA LIMITED,
MAIDSTONE STREET, ALTONA.
Telephone: 399-2266.

BRAMAC — PLASTALON LIMITED TRAINING SCHOOL FOR JUNIOR SEWING MACHINISTS

We require a number of girls 15-17 years, to join our training school for Junior Sewing Machinists.

Applicants will be given a work aptitude test and if found suitable will then begin a thorough training in all aspects of machining nylon, rubber and PVC proofed materials for rainwear manufacture, during which time award rates will be paid according to age.

At the end of the training period the Junior Machinists who qualify will be inducted into the machinists labour force and become eligible for earnings on piece work.

Join our organisation and allow us to show you how to earn a good living in the manufacture of rainwear.

Apply at Geelong Road office (near Somerville Road),

BRAMAC — PLASTALON LIMITED, GEELONG ROAD, WEST FOOTSCRAY.

BOOK-KEEPER — CLERK

(Knowledge of Printing or Stationery an advantage)

PUBLIC NOTICE

JUSTICES ACT 1958
Second Schedule — Form 1.

Information for an offence punishable summarily and summons thereon.

In the Court of Petty Sessions at Williamstown. In the Central Bailiwick. John Mellors Informant. Owner Unknown Defendant.

The information of the said John Mellors, of Civic Offices, 115 Civic Parade, Altona, in the State of Victoria, who saith that the said defendant on the 29th day of June, 1969, at Kororoit Creek Road, Altona, in the said Bailiwick and State was the owner of —

One Bay gelding approximately 1 hands high NVB unshod;

One Brown Mare approximately 15 hands high NVB unshod;

One Black Mare approximately 12 hands high NVB unshod;

One Black Mare approximately 10 hands high NVB unshod; which were found wandering on Kororoit Creek Road, Altona, without any person being in charge thereof contrary to Section 41, Part I of the Fifteenth (15th) Schedule of the Local Government Act 1958, such horses having been seized by Robert Clyde Heyen, a proper officer of the City of Altona.

JOHN MELLORS,
Informant.
To: Owner Unknown.

Whereas the above information has this day been laid by the above-named Informant before me, one of Her Majesty's Justices of the Peace in and for the said Bailiwick of the said State:

These are therefore to command you in Her Majesty's name to be and appear on the Ninth (9th) day of July, 1969, at the hour of 10 o'clock in the forenoon at the said Court of Petty Sessions at Williamstown, to answer to the said information and to be further dealt with according to law.

Dated at Altona, the 1st (First) day of July, 1969.

L. Carruthers, J.P.

FIRING

PRACTICES

Firing Practices

Williamstown Rifle Range

The PUBLIC is hereby warned that FIRING PRACTICES with rifle, machine gun, machine carbine and pistol may be carried out between 0730 hours and 1900 hours daily in the WILLIAMSTOWN RIFLE RANGE area.

Members of the public must keep clear of the area defined below.

DURING THE MONTH of July, 1969.

DEFINED AREA —

All the land of the WILLIAMSTOWN area known as the WILLIAMSTOWN (or MERRETT) RIFLE RANGE; that is to say all that land SOUTH OF KOROROIT CK ROAD enclosed between the junction of KOROROIT CK with the EASTERN boundary line of MADDOX STREET; thence in a NORTHERLY direction to the corner of MADDOX STREET and KOROROIT CREEK RD; thence in an EASTERLY direction to the junction of KOROROIT CREEK RD with the property of the Victorian State EDUCATION DEPARTMENT; thence in a SOUTHERLY direction along this boundary and the boundaries of housing properties; thence again in an EASTERLY direction for 259 yards to the boundary fence of the Girls' School; thence again in a SOUTHERLY direction to the PORT PHILLIP BAY FORESHORE; thence in a WEST and NTH. WESTERLY direction along the FORESHORE to the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET aforementioned and for a distance of 3200 yards SOUTH (into PORT PHILLIP BAY) throughout the length of this FORESHORE widening to a length of 3800 yards at its SOUTHERN extremity.

ENTRY INTO THE AREA —

Members of the public seeking entry into the range proper in the course of business must first make application to the Range Superintendent (telephone 39 76027). Entry for any other reason is forbidden.

Members of the public are warned against entry into the danger area of PORT PHILLIP BAY whenever firing practices are being conducted.

FLYING OF DANGER FLAGS —

As a warning to the public that the range is in use RED flags are hoisted in the vicinity of the range foreshore at intervals throughout its length.

GOOD SOCCER MATCH EXPECTED THIS WEEK

The Altona supporters will be in for a soccer treat on Saturday when St. Albans will visit Kim Reserve.

The Saints are a big rugged side and it will be hard to play good soccer against them, yet it is the only way to win.

Whatever the outcome the Kim Reserve boys should give a good account of themselves.

Last Saturday the game at Ringwood saw the return to goal of Ian Roberts. His decision to stay with Altona was a welcome one. Sixteen year old Hans Vanderpoel, who filled the position so well is only on loan from J.U.S.T. and they want him back at the end of the season.

Ringwood played a hard tackling game. Ray King was injured, Steve Herman was knocked out and even the burly Jimmy Mitchell was crushed to the ground. Altona had no luck in this game. Ray King put them in the lead with a well taken goal from a Herman pass.

Roberts was in great form and thwarted all attempts by Ringwood to score. At half time the score was 1-0, for Altona.

In the second half, Altona were still the more dangerous side despite the injuries to King and Herman. Then came two defensive blunders and in a twinkling Altona were losing 2-1. A temporary lapse and the result was 2 goals. For the remainder of the game it was all Altona. They hit the post, had shots cleared off the line, but a goal just wouldn't come and another valuable game was lost.

On Sunday Altona played Newport in the quarter final of the Metropolitan Cup. The Maroons coasted to a 3 goal to 1 win. They will now play Albion Rovers in the semi-final.

The Reserve game was marred by the badly broken leg, sustained by Barry Abbott. It was unfortunate and everyone wishes Barry a speedy recovery.

Special effort No. 47.

CENTRAL HAVE ANOTHER WIN

Open Age:

Central Altona continued its winning form with a tremendous win over West Newport last Saturday.

At half time it looked as if West had Central's measure; particularly as their ruckmen, led by Bottomley had taken charge of the ruck duels with Taylor and J. Langan in the thick of everything.

Despite strong opposition from Smutney and Sayers, West still led by two goals at half time. At the start of the last quarter the positions were reversed, with Centrals two goals in front.

However, West immediately attacked & very quickly headed Centrals. Fighting desperately Central Altona turned it on but against the wind could not penetrate West's defence. Players on both sides were going down like nine-pins as each side struggled for supremacy. Then suddenly Centrals surged forward and Strumberg goaled after twenty three minutes into the last quarter to put his side in front. This proved to be the winning goal for Centrals.

Popular West Newport captain and coach Johnny Martin suffered a serious injury a fortnight ago. Investigation has revealed an enlarged spleen. It is thought that this could force Johnny's retirement. If this happens his loss will be a severe blow to West. With his long association and dedication to football, John has been an ornament to the game and a gentleman on and off the field, respected alike by his own players and opponents.

Final Scores: Central 9-8 def. W. Newport 8-10.

Best for West Newport: A. Bottomley 3, D. Brough-

TABLE TENNIS PENNANT TOPICS

The standard is gradually becoming more even in A grade. John Garvin won from David Fowler 12, 18, 11, 17, 9, and from Peter Whelan 14, 14, -18, -11, 16.

Jim Montgomery defeated Barry Taylor 13, 17, -21, -18, 15 in another long term battle.

Doug Willox, top ranked at present, is still winning, but has been extended in a number of contests.

B1 star, youthful Stephen Hayes suffered one of his rare defeats recently. Bogdan Lukasik, for Brooklyn Youth Club, tossed him convincingly at 21-11, 21-19.

Alan Fox, of Yarraville, who plays with Ken Weston and John Noble (Altona), is enjoying his first season in competition. These three lads have shown marked improvement in standard, their temperament is excellent, and all should hit the headlines within another season or two. Altona must play a big part in the premiership in C grade.

Altona Cricket Club (Cook, Conradi, Duckett), are also on the way up, with a good victory at 9/2 over Brooklyn Youth Club.

Altona North (Ian Miller, Ron Miller, Joe Reece) are also assured of a berth in the final series. They romped home against good opposition. Footscray Youth Club (J. Evans, G. Holowko, R. Fowler) at 9/2.

CLOSE MATCH

Closest match of the week - Avondale Heights J. Scott, B. Pepper, C. Brook defeated Altona Youth Club (J. & P. Burgess, B. Cottrell, K. Drew) 6/16/494 to 5/11/461.

ton, L. Broughton, A. Chick, J. Langan, R. Hammond.

Other goals: W. Luttkick 2, B. Reid 2.

Best for Central Altona: Kennedy 1, Wrybicki, Kizan, Sturnieks 2, Smutney, Lott 1.

Other goals: Kielly 2, Lawrin 1, Jackson 1.

U. 18: Newport 15-12, defeated Central 9-10.

GOOD WIN FOR LACROSSE TEAM

Altona again continued to show their improvement in lacrosse on Saturday when they had a comfortable win over U.H.S.O.B.'s.

Wary at first, Altona took possession of the ball and went into attack; to get a goal and to observe U.H.'s reactions. Altona scored with this and summed up U.H.'s defence with little resistance from the back line. Altona sensed their advantage and went forward to command most of the first quarter to score 7 goals to 2.

In the second quarter, Altona went in expecting another easy quarter but were put back by U.H.'s more consolidated backline and stronger attacking. They pulled Altona back into place and for the second and third quarter gave Altona a show of their own ability with fast, accurate passing and teamwork.

Both teams scored evenly in both quarters and after the 3rd quarter Altona retired to revise their appraisal of U.H.S.O.B.'s with only 5 goals being scored during the 2 quarters by each team.

With U.H. now getting the upper hand, Altona knew that they would have to really do something to regain control of the match and this they did. During the last quarter they made a quick come-back through 40 goals to the complete storming of U.H.'s defences. With this high scoring, Altona increased their lead and the game closed with Altona 22 defeating U.H.S.O.B.'s 13.

Goal scorers were: Billy Cook 6, Frank De Kusel 6, John Butkiewicz 4, Trevor Danger 3, Bill McMinn 2, and Ricky Benedierks 1.

Best and fairest votes: 3 Bill McMinn, 2 Alan Norris, 1 Frank De Kusel.

Next week Altona play Glenroy-Essendon team at Altona.

JUNIOR SOCCER NEWS

Altona U. 16 soccer team played Keilor in their 2nd round Cup-tie on Saturday and went down 5 goals to 2.

With a poor first half Altona were never in it and were 3 goals down inside 30 minutes. In the second half they played much better and with a little luck may even have pulled the game round in their favour, but it was not to be.

Straubinger played his heart out as did Hughes and a couple of others, but there were 1 or 2 who did not seem to put enough into it.

The U. 14's played at home to Corio and had a fairly easy game, running out winners 9-1. Altona forwards all played well but the backs spoil a lot of good work by trying to do too much instead of pushing the ball through for their forwards. There is too much congestion in front of goals and many chances are missed by it.

The U. 12's played away to Newport and won well by 5 goals to 1. In the first half with the breeze, Altona moved the ball about but found it hard to get goals against a good defence. They did well to lead with all the goals coming before half time.

The second half was more or less even with neither team able to score any goals.

The Under 10's did not have one of their best days when they played away to South Sunshine although they won 5-1. The win was too much for both teams and they were unable to control the ball so well.

Donnelly, Plessa and Perry played well for Altona in defence and Totney was the best of the forwards.

Next week's games are: Under 10's - Sunshine Heights "A", at home.

Under 12's - West Newport, at home.

Under 14's - South Sunshine, away.

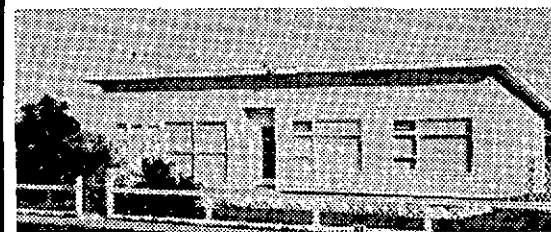

Under 16's - Newport, at home.

Special effort: 1st 43, 2nd 33, 3rd 46.
